Subject: Questions regarding treatment?

Hi Joanna -

I think you are at the site today - but can't remember. If so - was hoping you could double check the well survey info for the locations below. I have Trish's notes based on her review of the contractor's logbook. But I would appreciate it if you would double check the well surveys for any notes regarding any treatment. Here's what I have:

HW-15a [Ex. 6 - Personal Privacy] - has Cabot treatment system (any specific info on survey?)

HW-16 [Ex. 6 - Personal Privacy] - has Cabot treatment system (any specific info on survey?)

HW-22 [Ex. 6 - Personal Privacy] have no info on treatment - (any specific info on survey?)

HW-31 [Ex. 6 - Personal Privacy] - has Cabot treatment system (any specific info on survey?)

Thanks - Kelley
